I am uploading the extra chapter that was supposed to be in the published version of Pinoccio, but was cancelled due to the page limits set by the publisher.

It was a project that was cancelled after a simple idea-sketch, so it's imperfect and short.

I will come back next week with a long chapter.

Thank you and I'm so sorry ,A,

There was a huge field of reeds.

And beyond the field was the sea

My superior felt intuitively drawn to the sea that night so he was watching very carefully when

His superior, who was looking through a pair of binoculars, screamed

Something white moved in that field!
Something white? Was it a plastic bag?
I don't see anything.
